H. Logan and Mrs. C. A. Terrell
were guests of Mrs. J. E. Sharp on
Sunday.

Earl Mays, his sister Lizzy and
friend Geneva Sharp went kodaking
Sunday.

Herbert Mays spent Sunday on
Swan Lake.

Mrs. W. R. Cobb spent Saturday
night with her sister Mrs. J. E.
Sharp who is improving slowly.

L. D. Miller, of Rockhold, had bad
luck Saturday night. His barn took
fire from his light when he was feed-
ing and was burned. Two horses
and everything in the barn was lost
except his saddle. BLUE BIRD.

THE WOMAN WHO'S ALWAYS TIRED

For the strain of suffering, the
discomfort of disease, the special
effort that takes the life out of
a woman and makes her worse
than a tired man, there's a remedy
that has stood the test of
half a century.

NEED STELLA VITAE

"Through the advice of a lady
friend, I tried STELLA VITAE, and
was thankful to her for I am a well
woman and feel like a well man
and I am sure I suffered with
nervous prostration, headache, no appetite,
drowsiness, did not sleep sound, I can
easily remember STELLA VITAE to
every woman who has illness peculiar to
the female sex."—Mrs. Pauline Faust,
Ark.

STELLA VITAE is sold at your
drug store, or by direct order.
If the very first bottle
does not help you, your money will
be refunded. Why not try it?

LIBRARIANS JOIN FIGHT ON UNREST

American Library Association In-
augurates Nation-wide "Books
for Everybody!" Movement.

WILL AID FOREIGN BORN.

Social Problems Can Be Solved
by Teaching American Ideals
and Traditions.

The spirit of unrest that has been
sweeping the country indicates that
the foreign born, who have flocked to
the United States from every corner of
the globe have not been given the
proper help and encouragement, in the
opinion of the 4,000 librarians who
make up the American Library Associa-
tion and who are now enlisted in a
"Books for Everybody!" movement.
The effort is a concerted movement
to carry out the Enlarged Program
which the association has adopted.

There are approximately fifteen mil-
lions of foreign born in the United
States and of this number six millions
do not read or speak the English lan-
guage. One phase of the Enlarged
Program will be to bring the publisher
and translator together with the view
of furnishing the proper books in suf-
ficient numbers to carry the message
of American ideals and traditions to
this vast army of uninformed peo-
ple. They have been largely dependent
upon the foreign press for their writ-
ten messages. Many men who live
with their fingers on the pulse of cur-
rent events are firmly convinced that
a sound foundation in Americanism
can be easily built among the foreign
born if the proper literature is placed
within their reach in a language they
can understand.

No Drive to Be Held.

In order to carry out the Enlarged
Program two million dollars will be
required. This money will not be
sought through the medium of a cam-
paign or an intensive drive, but will
be obtained through the individual ef-
forts of the librarians, library trustees
and friends of libraries. The Ameri-
can Library Association will head
every effort to bring about the na-
tion-wide adoption of each of the
cardinal points in the Program, which
includes the extension of the county li-
brary system and the establishment of
more industrial and business libraries.
It now has in operation book service
to the United States Merchant Marine,
Coast Guard, Lighthouse Service and
hospitals of the United States Public
Health Service. The needs of the
75,000 blind persons in the United
States will be cared for. At present
the number of books available is woefully
inadequate. This will be remedied
and the joys of good literature
will be brought into lives that are
darkened by a veil which will never
be raised by any other method.

Not all the work of Americanization
lies in the great centers of population.
Great sections of the country where in-
dustry is carried on by foreign work-
ers do not know public library service.
There are important mining states
where less than a score of libraries
exist. One mining state has but two
public libraries.

MORE BOOKS FOR BLIND.

American Library Association Behind
Movement to Bring Good Litera-
ture to Those Who Walk
in the Dark.

There are between 15,000 and 20,000
blind people in the United States. The
supply of books in the recently adopted
Braille system for their use is in-
adequate. The American Library Asso-
ciation has undertaken to bring about
the adoption of the Braille system in
the libraries of the country. It has already
secured in substance several well-known
authors to bring the Braille of one of
their books to the attention of the
"Books for Everybody!" movement. A
fund of \$10,000 will be raised in
order to provide the Braille of one of
their books to the attention of the
"Books for Everybody!" movement. A
fund of \$10,000 will be raised in
order to provide the Braille of one of
their books to the attention of the
"Books for Everybody!" movement.

OBITUARY

Early in the Spring morning
March 24, 1929, when the dark
shades of night had gone by and the
gayety of the Spring birds of the
forest was heard giving melodious
voices of praise to the Great Jehovah.

When God in his infinite wisdom
who doeth all things well, sent the
death angel to visit the home of
Brother Morgan M. Sexton of In-
dian Creek and finding his beloved
companion worn out with 78 years
of life's toils and ready to step in
the Old Ship of Zion and sail home
on the other shore to rest in Para-
dise forever, with her precious son
Phillip Sexton and her precious
daughter Eliza Helton (wife of John
Helton) whom had gone on many
years before and long waiting to
welcome their beloved mother home
in Glory.

Sister Malinda Jane Sexton was
born on March 10, 1842, and was a
daughter of Rev. Green Berry Foley
and sister Annie Foley. She leaves
a heart broken husband and three
mourning sons and two grieving
daughters to lament the departure
of a good and generous mother
(namely) James R. Sexton, Will-
iam Sexton, Spence R. Sexton Mrs.
Mary Helton, wife of James C. Hel-
ton and Rebecca Helton, wife of
William Helton, and also a great
many grandchildren. Sister Sexton
was not only a kind mother and
grandmother to her own descendants
but was a generous mother and
grandmother to all of her neighbors
and neighbors children. Most of
whom that could be present were at
her burial with eyes melting in tears
paying their last respects to such a
benevolent grandmother.

She also leaves three brothers and
one sister (to wit) Spencer Foley
Sr. and Mrs. Frances Shore, wife
of Rev. Robert Shore, both of whom
live in this vicinity and Parx Foley
living in the far West and Rev. Phil-
lip Foley of Garrard County, Ky. now
80 who lived here in our midst all of
his life up till about age 60 and
carried such a remarkable record
in truth and duty and indeed every-
way as a neighbor, citizen gentle-
man and as a Christian that he be-
came one of, if not the most influ-
ential Baptist minister who ever lived
in Knox or any adjoining County,
or any adjoining County.

Sister Sexton united herself with
the Baptist Church in her early life.
kept her faith and lived a true
Christian until death, and in her
last days when pain was torturing
her body she like Job bore her suffer-
ing with patience. She always
lent a helping hand to those in
need around her to such an extent
that her neighbors and neighbors'
children will reverence and cherish
her memory as that of a precious
mother. She leaves not a single en-
emy to cast one ungentle word or
one evil thought upon the grave of
such a true heart moulderer there-
under.

To the broken hearted husband,
weep not, for when a few years of
sorrow shall have rolled its ampie
round, God will send another Ship
Zion for you to step in and take sail
over there to meet her to live forever.

To the sons, daughters and grand-
children, weep not, her voice on
earth will be heard no more the she
will visit you in dreams. She has
gone forever from this vain world of
woe and weeping to rest in peace
forever. Francis M. Rogers.

A FAMILY MEDICINE

In Her Mother's Home, Says This
Georgia Lady, Regarding Black-
Draught, Relief From Head-
ache, Malaria, Chills, Etc.

Ringsgold, Ga.—Mrs. Chas. Gaston,
of this place, writes: "I am a user
of Theodor's Black-Draught; in fact,
it was one of our family medicines.
Also in my mother's home, when I
was a child. When any of us chil-
dren complained of headache, usually
caused by constipation, she gave us
a dose of Black-Draught, which would
rectify the trouble. Often in the
Spring, we would have malaria and
chills, or troubles of this kind, we
would take Black-Draught pretty regu-
lar until the liver acted well, and
we would soon be up and around
again. We would not be without it,
for it certainly has saved us lots of
doctor bills. Just a dose of Black-
Draught when not so well saves a
lot of days in bed."

Theodor's Black-Draught has been
in use for many years in the treat-
ment of stomach, liver and bowel
troubles, and the popularity which it
now enjoys is proof of its merit.

If your liver is not doing its duty,
you will suffer from such disagree-
able symptoms as headache, bilious-
ness, constipation, indigestion, etc.,
and unless something is done, serious
trouble may result.
Theodor's Black-Draught has been
found a valuable remedy for these
troubles. It is purely vegetable, and
acts in a prompt and natural way,
regulating the liver to its proper
functions and cleansing the bowels of
impurities. Try it. Insist on Theod-
or's, the original and genuine. E 79

A RICKETY CHILD

A child with rickets is under-nourished, the bones soft and
their growth irregular. A rickety child is very susceptible
to colds, coughs and more serious complications and
particularly needs a rich bone and body-building food.

SCOTT'S EMULSION

containing nourishing Norwegian cod-liver oil and the bone-
strengthening lime salts, is the ideal constructive food for a weak
child of any age. A rickety child should be given Scott's Emulsion
three or four times daily for a long time. It never fails
to nourish and strengthen. Ask for Scott's!

The exclusive grade of cod-liver oil used in Scott's Emulsion is the famous
"S. & B. Process," made in Norway and refined in our own American
Laboratories. It is a guarantee of purity and palatability unsurpassed.
